

National Valentine Collectors Association

This is your reminder, as we enter our thirty-fourth year, that it is now time for your 2010 membership renewal. Regretfully, repeated increases in postage fees have made it necessary, after many years, to make a small increase. We hope you find it worthwhile, with our beautiful full-color newsletter, and website for our auction.

Dues are now \$20. per year, and \$25. outside the USA, payable by the end of February; PayPal is accepted. Love and affection are constant threads throughout history. A message found on an eighteenth century English Valentine: “*Joined by Friendship, Crowned by Love*”, expresses our hope that you will join with us, as we make it our motto.

Please share your areas of interest, and let us know if you would like to contribute to the newsletter. Gifts of membership are enthusiastically encouraged, and your recipient will receive a welcome note.
